

0% finance - offer now extended!

Two years' interest-free credit on the [GY-HM100](#) and [GY-HM700](#) tapeless ProHD camcorders.

With 24 months 0% finance available on our JVC solid-state HD camcorders, you could afford to visit exotic filming locations sooner than you think.

And the savings aren't just on the camcorder price, since both models record high definition video and audio directly to inexpensive, readily-available SDHC media cards.

So don't wait around for file conversion or transcoding. Save time and budget with JVC.

For further information* about the 0% finance offer, please call **020 8208 6204**.

*Finance available subject to terms and conditions, status and availability.
Limited offer, applies to business customers only, valid until 26th March 2010.
UK and Northern Ireland only.
