

WEEE (2007)

Thank you for visiting our JVC website and for seeking further environmental information on the disposal of waste electrical and electronic equipment.

JVC will comply tenaciously with all prevailing **EC laws** on the disposal of waste of electrical and electronic equipment, referred to as **WEEE**.

Products marked with the above symbol should not be included with normal household rubbish. To dispose of equipment marked with this symbol there should exist in your area a separate collection and disposal system for such items. Please make enquiries of your local provider of rubbish disposal services for details.
