

## Learn more about JVC's ProHD GY-HM700 camcorder

JVC Professional's new small and robust camera, GY-HM-700, is packed with features to help create pristine picture quality that professional users demand, from a surprisingly compact and lightweight shoulder-mount camcorder.

In the second instalment of [Tim Dashwood's](#) video, *Inside the JVC GY-HM700*, learn more about how to set up the GY-HM700 to your specific requirements.
